

# You are invited to the Grand Opening Ceremony Hercules Path to Transit and Bayfront Celebration

**Sunday, March 5, 2017**

**John Muir Parkway/ Bayfront Bridge Ribbon Cutting Ceremony: 11:30 AM**

**Location: Where John Muir Parkway Intersects Bayfront Boulevard**

**Bayfront Celebration: 11:30 AM to 2:30 PM**

**Location: Along Bayfront Boulevard**

Join one and all for the marking of a major milestone for Hercules and come celebrate our connections to the Bay! These events will mark the completion of The Path to Transit Phase of the Hercules Regional Inter-modal Transportation Center which:

- Extended John Muir Parkway
- Built a new bridge across Refugio Creek to connect to Bayfront Boulevard;
- Restored Refugio Creek;
- Installed a Creekside Trail;
- Provides an interim connection to the Bay Trail; and,
- Allows for the future inauguration of bus service to the Bayfront

Funded entirely from grants from Federal, State, and local sources, this \$14.5 million project paves the way for the eventual realization of a transit hub connecting bus, rail and ferry service here in Hercules and for the development of a transit oriented village and other amenities on the Bayfront.

**Featuring Classic Cars, Food Trucks, Entertainment, and Information Booths!**
